IZI LIGHT

INNOVATIVE SOLAR LIGHT

All in One Solar Garden Light

LED LONG LIFE

Item No: SUN 20W/40W/60W

- Controller: Epistar
- Beam angle:120°
- Superior colour rendering >95% MAX
- Saves up to 70% energy compared to halogen spotlights
- Long service life and less maintenance costs
- No UV or IR radiation thus no discolouration of sensitive materials

Innovation is our core culture. With professional and creative R&D and advanced laboratory, Bosunlighting owns 23 patents and **SAA/C-Tick/CE/CB/CCC/ROHS** certification.

10 years' experience in project lighting is our advantage. The projects are the followings:

INNOVATIVE SOLAR LIGHT

Mounting

The LED Solar Garden light has an universal lamp size 40mm and 50mm making it easy to install on the post or wall

Long Guarantee

Bosun led light offers a high quality system guarantee for LED Solar Garden l light The guarantee covers the luminaries, solar panel and battery.

High quality large capacity lithium battery

Light up every day!

Safe and reliable | Enduring durability | Long battery life | Long-term storage

Sensor

Smart light control system & radar induction,flexible work, lighting every day

With radar induction smart control, inducted distance is about 4-6 meters. when people or something approaching, it will be full brightness, while leaving, the brightness will reduce to 30%.

It has greatly saved battery energy and led a longer working time.

MPPT SOLAR CHARGE CONTROLLER

Using single crystal silicon solar panels, the conversion efficiency is over 21%, 365 days lighting

HIGH QUALTY MATERIALS

RADAR INDUCTION	ENERGY CONSERVATION	OUTDOOR WATERPTOOFING	FAST FULL OF ELECTRICITY	LONG SERVICE LIFE
NO WIRING	ELECTRIC CURRENT	SOLAR CHARGER	LIGHT COR	EASY TO INSTALL

Control device

Power:20W 40W 60W

Chip:SMD

Beam angle: 120°

Chip:>120 lm/W

High Efficiency (monocrystalline silicon)

Our Products

- Monocrystalline silicon: high conversion efficiency, stable performance, positive A-class battery, high transmittance glass, conversion efficiency 21%.
